

Fish Friendly Best Fishing Practices Workshop

Operators of all commercial salmon fishing gear types fishing in Puget Sound must complete a "Fish Friendly" workshop and be in possession of a certification card to participate in any salmon openings in Areas 7 and 7A, including chum openings. **Certification cards issued in 2004 - 2006 remain valid for 2007.** Operators who do not currently hold a "Fish Friendly" certification card need to contact the Puget Sound Commercial Salmon Fishery Manager to obtain certification. Contact Information is listed in the Puget Sound Commercial Salmon Regulations or you may call 360-902-2700 and they will connect you.

The next available workshop is:

Date: October 15, 2007

Location: 6th Floor, Room 682
Natural Resources Building, Olympia

Time: 11:30 – 1:00 PM
